Note: In these unprecedented times caused by the coronavirus (COVID-19) pandemic, resulting in workplace closures, sporadic workplace visits and work-from-home solutions, consent and renewal campaigns are impacted. Therefore, BPA Worldwide has granted an exception to reporting Age of Source and permitting publishers to carry as "qualified" circulation sources aging beyond 36 months but not to exceed 48 months. This is for all 2020 reports. 310 copies or 3.2% of Total Qualified circulation is 36+ to 48 months.
